

March 21, 2022

To: Prospective Bidders

Subject: Addendum One: Answers to Questions

Project: ST-316C: Inspection Services for the Bridge Repairs 2022 Project

This Addendum is to address all questions received during or prior to the Pre-Submittal Meeting for project referenced.

Questions

1) Does the City of Durham intend for multiple bridges to be running concurrently? Is the City of Durham expecting one inspector or multiple inspectors on this contract?

A: The number of crews that will be allowed by the contractor will be determined by the number of inspectors the inspections firm can provide. The city does not have any expectations of the number of inspectors needed for the project.

2) Section 4.5 Workforce Diversity Questionnaire. Is this required? Seems to be a typo in RFQ and no questionnaire was provided in package.

A: The Workforce Diversity Questionnaire form can be downloaded from the project website at the following link:

<https://www.durhamnc.gov/4704/ST-316C-RFQ-for-Inspections-for-Bridge-R>

3) Proposal delivery, will electronic submittals be accepted or only hand delivery?

A: Electronic submittals are accepted and preferred.

4) Do any of the proposed projects under this contract include any federal or state funding that require the projects to meet NCDOT or federal documentation requirements?

A: No state or federal funds. It is all City funds.

5) I cannot locate Exhibit A – Sample Contract, do you know where I can find it?

A: Exhibit A – Sample Contract is uploaded to the project webpage.
