**Subject:** ShotSpotter Monthly Gunfire Report (1/1/2023 – 1/31/2023)

As a part of overall service delivery, ShotSpotter provides a monthly gunfire report. This report reflects data compiled by ShotSpotter and is separate from any future report generated by the Durham Police Department. When reviewing, please note the following:

- The data represented is **not** data generated by the Durham Police Department.
- Significant dates (New Year's Eve, New Year's Day, and Independence Day) are excluded from this report.
- The ShotSpotter alert addresses are **not** actual addresses where the shot was fired from. Rather, the address listed is the closest point (within 82 feet) of the sound of shot(s).

Subsequent monthly gunfire reports, generated by ShotSpotter, will be posted directly to the ShotSpotter Durham platform. Data collected by the Durham Police Department, covering December 15, 2022 – March 30, 2023, will be provided publically no later than April 3rd, 2023.

Media inquiries regarding any report generated solely by ShotSpotter should be directed to ShotSpotter.
