The undersigned hereby makes application to move a building from and to the location designated above and hereby agrees to conform to all applicable laws of the State of North Carolina and the City/County of Durham. In addition, the undersigned agrees to accept the responsibility for protection of City/County property for any damages by the undersigned, his/her employees, and/or his equipment, and understands that it is his responsibility to notify the owner that the power will not be released until the Impact Fee is paid if located in the City limits.

Note: The Minimum Housing/Building Inspector is not verifying the location of the foundation setback from property lines at footing inspection. This verification will be provided by the submittal of the final survey, which must be submitted to the appropriate Inspections Department before the steel can be removed from underneath the house.

This permit is for moving and foundation only. Any additional work beyond this scope will require additional permits.
